- **Board of Veterinary Medicine:** DVM, students

"I know that I still have the ability and determination to do my part to make the world a better place. In recovery. And that is all that is really required of any person."

-anonymous participant

MPHP mission: To promote the health and well-being of Maine's healthcare professionals by providing monitoring, resources, education, and advocacy for those challenged with substance use disorders, mental health disorders, and behavioral issues that may adversely affect their ability to practice safely.

Services Offered

- **Clinical coordination: includes recovery monitoring and documentation, referrals, advocacy for licensure and credentialing**
- **Initial interview and assessment**
- **Mentoring**
- **Educational & outreach presentations/conferences**

*The MPHP does not provide a diagnosis or treatment.

The following may be indicators that someone could benefit from referral to MPHP:

Changes in Work Habit:

Conflicts with colleagues, increase complaints, neglect of patients or duties, absenteeism, frequent disorganization, decreased productivity, inaccurate work, inventory counts are frequently off, late assignments

Changes in behavior:

Defensive, jealous, easily angered, depressed or moody, increased irritability, negative behaviors that effect work and/or relationships at work, withdrawn, increased anxiety, personal hygiene deteriorating.

Possible referral sources:

Self, employers, licensing Boards, family members, co-workers, anonymous sources, etc.
